

Red Lines

➔ **Armed Security**

We only offer armed security. If you are looking for unarmed guards, please work with another service to meet your needs better.

➔ **Protective Equipment**

The safety of our Praetorian Guards is equal to our customer safety. If you don't like our guards wearing the best personal protective equipment that money can buy, than this service may not be for you.

➔ **Police Type Vehicles**

We drive the same make and model of vehicles that many police departments use in the U.S. Currently we drive Ford Explorer Utility Vehicles.
